

ADDING A MEDIASITE PRESENTATION TO A CHANNEL

Once a channel has been made in Mediasite, videos can be added in order to organize content. To add a video to a channel:

1. Navigate to **My Mediasite** in the course navigation pane.
2. Locate the video that will be added and click the title.
3. Click **Move To** on the right sidebar.

4. On the pop-up window, click **Place this Presentation in a Channel**.

5. Select the channel that the video will be added to under **Search for Channels**.
6. Click **Move Presentation**.
